REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Prosperity-Rikard Elementary is one team with one primary mission in mind: to provide a nurturing community for students to achieve their personal best. This commitment, shared by all stakeholders, helps us in our daily goal to make our school motto, "The Pride of the Palmetto," a reality.

In academics, we continue to teach students the basics of Math, Reading, Science and Social Studies as a basis for applying all that is learned across the curriculum. Our character education is modeled in all areas of school life and is designed to increase student performance and teacher satisfaction, and to grow responsible citizens and future leaders. All adults in the building provide engaging instructional experiences and opportunities that enable students to strive to do their personal best. Students are provided with a number of opportunities to excel by utilizing technology in the classroom through streamlined videos, interactive Promethean Boards, PowerPoint presentations, Measures of Academic Progress (MAP) testing, and other digital media resources.

We continue to provide service learning opportunities for students to give back to the community and to develop self-worth in helping others. Our connections to the community are provided through financial support to charities from monies raised by the students and staff, and donations in kind such as canned and dry goods to the local food bank.

All students participate in our Garden Project that enhanced their experiences with actual gardening, integration into all curriculum areas, and supporting healthy eating. Our Garden Project was named the Best in the Upstate last year.

Our parents and grandparents play a vital role in the collaboration for a successful future for our students. We have special events such as Goodies for Grands, Muffins for Moms and Donuts for Dads to invite these special people on special days to come and visit with students, and PTO meetings throughout the year that feature musical performances from students and provide informative presentations for parents. We host a Career Day to involve the local community with helping students select career goals for their future; sponsor a Veterans Day ceremony to honor those men and women that serve our nation in the military, especially staff members or family members of our students and staff that are presently deployed; and work with a number of volunteers that assist with small groups for reading, additional academic assistance, and mentoring throughout the school year.

Prosperity-Rikard Elementary School strives to provide a challenging and stimulating educational experience that meets the needs of our students and develops the learners of tomorrow, emphasizing daily successes that help make us the "Pride of the Palmetto."
